

Editors Help

Dear Editor

We are greatly thankful that you kindly spend your time on reviewing the articles of the journal.

Your reviewing is for “The First Step Review” to evaluate the publication value/worthiness of the article.

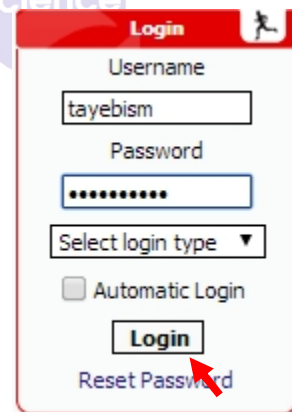

✚ The Step period: 10 days

The following points are very important for journal policies:

1. Practical/application aspects of the article subject. All articles must have an “Application Remarks” or state the application of results in conclusion section.
2. Innovation in subject of article. If the subject is repeated, than what’s its innovatory aspect? Or what’s its necessity?

Entry into the Editor Area

- a) Enter your Username and Password in “Login” pane.
- b) Click Login Button.

- c) Select “Editor area” from the tab above of the journal website.
